For beginners and seasoned divers alike, **Vobster Quay** has something to offer. With 36-acres of fresh water offering depths from 6m to 36m, divers of all levels will find the heady mix of exciting underwater attraction and a full range of diving support services hard to resist...

Why not take a dive course at Vobster Quay? We offer the full range of courses from **PADI** plus technical training from **IANTD**

At **Vobster Quay**, we want you to enjoy your time on the surface as much as you do underwater! Whilst your diving cylinders are being filled with air, nitrox or trimix to 300 bar, relax over a drink and some delicious hot or cold food from our catering van and then pick up a bargain in our well-stocked dive shop. Don't forget that we also offer warm, clean and comfortable changing facilities with **FREE** hot showers

Lying submerged beneath the clear waters of **Vobster Quay**, you'll find an exciting array of fascinating underwater attractions just waiting to be discovered. Have you dived our aircraft wreck or the quarry crushing works yet?

For visiting dive schools and clubs, we offer **FREE** training platforms at depths ranging from 6m to 36m. Warm classrooms with full multimedia facilities are available for hire
